Get Awards at
Honor Assembly**

Lincoln-Way seniors were honored Friday night, June 1 at the second annual Senior class night. Ron Hughes welcomed the parents and friends. The seniors were introduced by Everett Hauck. The class history was given by Sharon Moede; class prophecy by Russell Hamilton; the class will by Jim Staley; and the presentation of the gift by Paul PaZukas. The seniors presented the school with letters for the outside of the building designating the name of the school.

Awards were given out by Supt. A. H. Chapman and some teachers and other guests. John Weber received a scholarship to Bradley University; Larry Cullison to Illinois Wesleyan; and Bill Heidrich to Beloit college. The state scholarships were awarded to Barbara Sayers, Yvonne Piepenbrink, and Marilyn Cooper. Two scholarships awarded by the National Honor Society of Lincoln-Way were given to Rudy Guzik and Diane Ullrich. These were \$50 each. The projectionists of Lincoln-Way were given recognition and awarded medals and certificates for outstanding service. These were awarded to Ralph Eisenbrandt, John Fish and Gordon Goodwin. The following seniors received a gold medal for scholarship with a 4.5 average and over: James Cooper, Marilyn Cooper, Bill Heidrich, Diane Batson, Yvonne Piepenbrink, Judy Lane and Barbara Sayers. These seniors received silver scholastic medals for a 4.0 average: Janet Korschard, Carol Larson, Diane Ullrich, Lorne Niemann, James Staley, Janice Johnson, Paul Schuh, Karen Brockman, Larry Cullison, Rudy Guzik, Bill Bolker and Sharon Moede.

Miss Louise Delano, regent, Des Plaines Valley chapter of the DAR presented Marilyn Cooper with the DAR award. Marilyn was chosen for this award by her classmates. Mrs. Hussey presented Elroy Erdmann with the Math Award. James Hobbs and Allen Rasmussen were given awards by Mr. Van Rhoeden. James received the DeKalb Award and Allen the state farmer award.

Mr. Dieken presented Yvonne Piepenbrink with the Betty Crocker Award and the award for the Junior Historian of the year. Dr. Leonard Katzin of the Joliet chapter of the American Chemical society presented James Cooper with the chemistry award. James Cooper also received the Phi-Chem Scholarship. Commander Kenneth Oester of the Bob's-Swinford Post 1098 of Frankfort presented the American Legion award. Bill Heidrich and Marilyn Cooper received these awards. Yvonne Piepenbrink and Jim Cooper received honorable mention. Larry Cullison was awarded the Arion Music award by Wilbur Francis. Marilyn Cooper gave the farewell for the senior class.

**17 Graduate
At St. Mary's**

Graduation exercises were held Sunday, June 3, in the auditorium of St. Mary's Catholic school. The 17 graduates entered the church in single file, each preceded by a first or second grade pupil dressed as an angel and carrying the diploma.

The white caps and gowns worn by the girl graduates contrasted with the blue worn by the boys. It was the first graduation in the new school.

Parents and friends joined the children in singing "Holy God." The ceremonies closed with the pronouncement of the Benediction.

Dan Martin, of Lincolnwood Hills, furnished the blue and white flowers (the class colors) for the altar and each graduate furnished a rose (the class flower) to make a bouquet which was placed on the Blessed Virgin statue.

Names of graduates are: Ralph Harold Bueschel, Mary Frances Gottlieb, Allen Nicholas Grybasz, Judith Anne Marce, Lorayne Ethel Marshall, Paula Jean Muehler, Robert Willard Munch, Mary Virginia Murdock.

Also Carol Ann Seckendorf, Michael Louis Segvich, Thomas Harold Smith, Marilyn Lee Sorensen, George Albert Stanisz, Ronald Louis Tomas, Laurence Ellen Weathers, William Kenneth Zemeske, and Eleanor Louise Zimmerman.

**Proclaims June as
Recreation Month**

Whereas, Americans everywhere are discovering the importance of wholesome recreation as they face the challenge of shorter working hours and new found leisure; and

Whereas, recreation refreshes the weary, brings competition and excitement to the bored, changes tension to relaxation and, at its best, adds a sense of adventure, discovery, achievement and creativeness to our lives; and

Whereas, providing challenging recreation opportunities for all ages is a community responsibility in the finest traditions of American democracy; and

Whereas, June is a month which is overflowing with recreation activities from sports to drama to music to community socials to family trips;

Now, Therefore I, John Scarth, mayor of the town of Mokena, do hereby proclaim the month of June as National Recreation Month and urge all our citizens to recognize the importance of recreation for happy, healthy, living and to observe the month by participating in their favorite recreation activities as individuals, families, groups and as a community.

Dated this 6th day of June A. D. 1956.

(Signed) JOHN SCARTH

**New Lenox Man
Gets Promotion**

John A. Peterson, of N. Cooper st., New Lenox, has been promoted to division staff supervisor in the division of the Illinois Bell Telephone Co. in Chicago.

Peterson began his telephone career as a station installer at Chicago in 1940 and was a plant assembler and framer before he joined in 1944. In Joliet he held such positions as switchman, testman, PBX repairman, plant service foreman and district plant clerk. He has been a supervisor on the division plant supervisor's staff in Chicago since March, 1955.

Peterson and his wife, Ruth G., have two children, William, 13, and Holly, 11. He is a member of the New Lenox Lions club.

A brother, Robert E. Peterson, is employed by the Illinois Bell Telephone Co. in the accounting dept.

His promotion is effective June 1.

**U of I Awards
Scholarship to
Hilda Geuther**

Mrs. Hilda Geuther has been awarded a scholarship by the University of Illinois for a course "Education in Family Finance."

The workshops are part of a long range program whose basic objective is that boys and girls in the nation's schools receive instruction in the fundamentals of sound personal and family financial management.

Lecturers and specialists on topics such as sources of personal income, budgeting, banking and banking services, consumer credit, installment buying, life insurance, accident and health insurance, general insurance, social security, pensions, savings plans, personal taxes, wills and estate settlements, will be drawn from the university's school of business administration and experts from business.

Daily laboratory work in which teachers will develop special materials for his own class or schools is a part of the plan. Educators attending the workshop represent subject areas of business education, mathematics, social studies and guidance. There will be forty in the group from Illinois and Missouri meeting June 15 to July 14.

**Pcp Cases Become
Overheated, Ignite**

A stack of cases containing pop bottles piled against the brick end of a trash burner at the rear of The Shopping Bag, a food store on Wolf rd., became overheated and burst into flame early Tuesday morning.

An alarm was turned in shortly after 2 a. m. While small the fire was a hot one—hot enough to melt some of the bottles. The burner is some distance from the store or any other building.

The burner had been in use all of Monday evening.

It has a boiling point of 2,270 degrees.

**Village Board
To Tee Off On
Meter Violators**

Mokena residents who have saving money by taking their water straight—that is to say unmetered—will find that this can be quite expensive.

At the meeting of the village board held Tuesday night, it was reported there were some homes where the meters are out of order and as a result do not register the amount of water flowing into household mains. There are places, it was said, where the householders have dispensed with the meters entirely.

When Fred Steinhagen, the village maintenance man stopped at a residence a few days ago to read the meter but was unable to find it, he made inquiries.

"Oh, the meter," the householder was reported as saying "that is hanging up out in the garage."

Persons who do not have meters will have 30 days in which to get and install them, the village board decided, and the same grace period will be given to have meters repaired that are now hooked up but out of order. After the grace period is past it will begin to cost money.

Persons who still neglect to put in meters will be billed at the rate of \$2 a month for each person in the home. Under this system a family of five would have a bill of \$10 a month, it was explained. The person who has a meter hooked up but out of order will be billed at the rate of \$1 per month per person.

The board also announced that the warning period for stop sign violators has ended and subsequent violations will draw fines.

Robert Gaddis and W. L. Harston appeared before the board to complain that some 200 feet of drainage tile in front of their residence on LaPorte road has been broken and also that the parkways and driveways are torn up as a result of work being done at a nearby subdivision.

They asked the board to replace the tile and repair the damage to drives and parkways.

At the request of St. John's church, which plans to hold its annual parish picnic June 24, the board will have the grass cut at the village park and the place put in shape for the affair.

The board also voted to make social security available to Fred Steinhagen.

Police were instructed to check all alleys and to ticket any vehicles left parked in them at night.

Building permits were granted to Jack Horras, Third st., for a 1/2 way and garage, Gordon Bruce, for a house on Front st., John Peterson, for a house on Center st., Charles Burkhardt for a house on Center st., New Lenox Lumber Co. for a house on Anna st. in the Robinson subdivision; Barney Hostert for a garage at his home on Wolf rd., George Rouleau, for a garage at his home on Carpenter st., and Willis Liston for repairs to a confectionery store on Front st.

The dairy program was initiated by the Illinois Agricultural Association, statewide Farm Bureau organization, to help alleviate dairy surpluses, promote better health, and bring about better business for the entire dairy industry without depending upon the federal government.

"Increased consumption of dairy products means better health for city consumers, opportunities for retail distribution of milk products; and high net income for farmers," Sewing said.

The Wilbert Lauffers and Louis Holms represented the Mokena area at the breakfast.

There will be a meeting of the Will-Grundy County Cancer Diagnostic clinic June 12 and 26, from 10 to 11 a. m.

All patients attending the Clinic must have a referral from or be accompanied by physician or dentist.

Twenty-seven per cent of all drivers involved in fatal auto accidents in the U. S. last year were under 25 years of age.

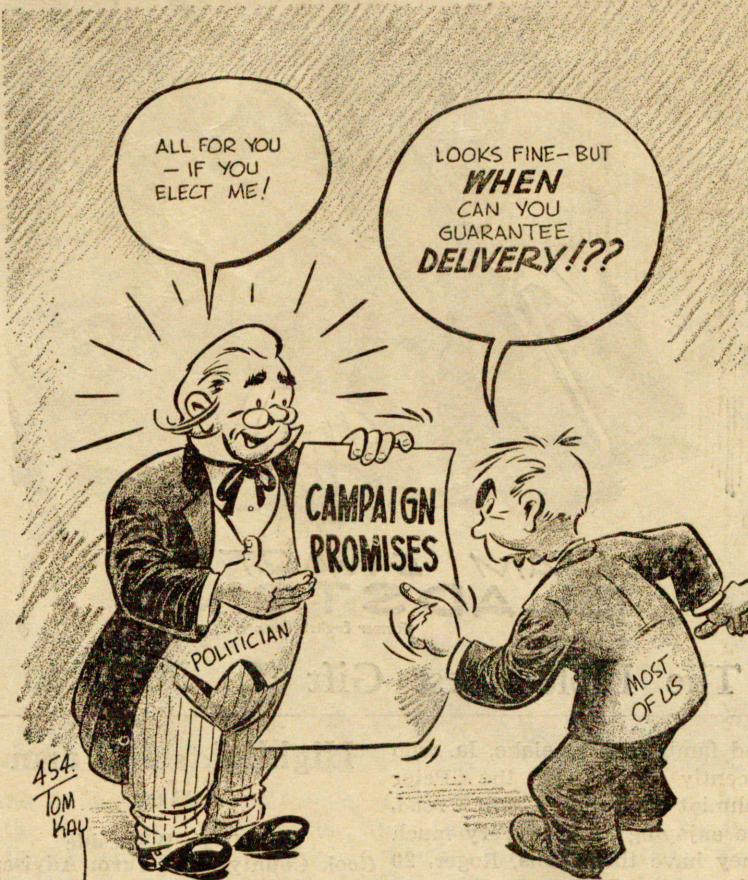

Eighty-five per cent of the vehicles involved in accidents were passenger cars.

**Dairy Farmers
Embark Upon
Sales Campaign**

Julius Sewing, chairman of the dairy division of the farm bureau marketing committee, announced complete plans for June dairy month sponsored by the Will county farm bureau, at a breakfast held Tuesday morning at Valley View farm restaurant. Some 60 persons, farmers and dairy operators and farm bureau and PMF officials were present.

Sewing stated that an abundance of milk is produced in the last few days of May and the first few weeks of June. With schools closing and people going on vacation, a variation of milk consumption along with the increase production causes milk to become in excess amounts and this means trouble. The American Farm Bureau Federation, the Illinois Agricultural Association and county farm bureaus all over the United States and Illinois are planning extensive campaigns to promote milk consumption.

Farm Bureau will be working in every effort in the next several weeks to place this excess milk in the stomachs of people so that none of it will be put into storage in any form.

The Farm Bureau committee composed of Julius Sewing, chairman; Howard Klett, Ralph Klett, Joseph Eich, George Brisbin and Harold Riegel arranged for the kick off breakfast Tuesday.

As a result, dairy farmers and their wives are calling on restaurants and grocery stores in Will county to tell of the health value of milk and ask these stores to try to sell more milk, not only in June, but throughout the year.

The dairy program was initiated by the Illinois Agricultural Association, statewide Farm Bureau organization, to help alleviate dairy surpluses, promote better health, and bring about better business for the entire dairy industry without depending upon the federal government.

"Increased consumption of dairy products means better health for city consumers, opportunities for retail distribution of milk products; and high net income for farmers," Sewing said.

**Cancer Fund Drive
In Mokena Yields
\$363, Says Chairman**

The annual cancer fund drive in Mokena brought in \$363.61 cents this year, it was reported this week by the chairman, Mrs. H. J. Wrath.

"The people of the community who were so willing to contribute to this cause and women who also gave their time to make the drive a success deserve most sincere thanks, said Mrs. Wrath.

The women who served as solicitors for the fund were Mesdames Donnell Bost, Henry Fee, George Bills, Lois Carlisle, Edwin Yunker, Marsha Miller, Kay Owens, George Devlin, Clement Watkins, Shirley Chisholm, Norval Robinson, Fred Ricketts, Dorothy Roessner, Hans Muehler, William Ihde, Lloyd Warning, Philip Yelton, Edward Akers and Miss Joyce Cummons.

Miss Ann A. Walker, 21, of Pawnee, Ill., who graduates this month from Grand Western Illinois State Teachers college at Macomb where she majored in home economics and is rated as the top student in this field. She will be assigned to the home economics department at Lincoln-Way and is hired on a 10-month basis. Her starting salary will be \$3,700. She was president of the Western Association of Women Students, president of the Band Association, vice president of the student council, vice president of the Home Economics club, was active in 4-H work and was president of her sorority, Alpha Sigma Tau.

She will replace Miss Marilyn Doughty who has resigned. Miss Doughty is to be married and will reside outside the Lincoln-Way area.

Six other teachers are to be hired, a chairman and assistant for the department of business education; one in the English department; one for biology and general science, one for general science and general mathematics and a part time vocal instructor. Miss Arlene Rittenhouse, who has been assistant chairman in business education has resigned as have Charles Ellerman in biology, and George Burrow in general science and mathematics.

The Rev. Herschel E. Aseltine, pastor of the Marley church, who has been employed on a part time basis as a teacher at Lincoln-Way will not be back next year. He is returning to Hamilton, Ont., Canada, where he will serve as secretary to the Christian Labor movement.

5 School Districts
In Homer to Vote
On Consolidation

A meeting was held at Hadley school, Homer township Monday night to discuss the proposed consolidation of five school districts in Homer.

Petitions asking for a referendum on the question have been filed with Will County School Superintendent Vernon E. Crackel by Joseph Ponkauskas and the date for the election will be sometime in the latter part of the month, Mr. Crackel said.

Bruce Anderson, president of Hadley school board, presided at the meeting Monday. Hadley district, No. 128 is one of the five involved. Hadley is a 2-room school. The other districts, 135, 131, 130 and 127 are one-room schools.

Supt. Crackel, who met with the Homer people recently, told them the cost of operating a 4-room grade school would be about the same, perhaps a little less, than total cost of operating the five schools separately.

Funeral services were held Sunday for the late Alvin Gullicksen, 66, who died of a heart attack at his home in Frankfort, June 1.

He was born in Frankfort where he always lived. He served in World War I.

Surviving are two sisters, Mrs. Frank Fouts, Harvey and Mrs. George Kachur, Niles, Mich.; two brothers, Carl, Plymouth, Neb., and Herbert of Joliet.

Rev. Erich Bizer officiated at the funeral services in the Sonntag funeral home on Herkimer st., Joliet. Interment was in Pleasant Hill cemetery, Frankfort.

New livestock feed possibility seen in guar beans, grown in the southwest. Researchers are working on process to convert them into cake and meal for animal feed.

**Lincoln-Way Voters
To Pass on Tax Raise
Proposals June 16****Lincoln-Way
Board Hires 2
New Teachers**

Two new teachers have been hired by the board of education at Lincoln-Way high school for the 1956-57 school year.

One of them is Francis K. McGivern, 29, who for the past year has been teaching at Waukon, Ia. He will teach American history and American literature and coach freshman football.

He was educated at the University of Nebraska, Iowa State Teachers college, University of California and University of Iowa. Mr. McGivern has a B. A. degree and is now working on his master's degree in history. He is a veteran of World War II. He has been teaching for one year and his starting salary will be \$4,000.

Mr. McGivern will relieve Dr. Ralph E. Wright of some of his teaching duties, according to A. Hunter Chapman, school principal. Dr. Wright is assistant principal and under the new arrangement will be able to devote more of his time to his administrative duties.

The children will eat their lunch at home, returning to the park at 1 o'clock. Various games will be played in the afternoon, including badminton, baseball, horseshoes, tennis, basketball, etc. There will be dramatics and a story hour at the close. The park day will end at 4:30.

The golf lessons for those of high school age up now on the park agenda have been rained out repeatedly but Tom Geary, the pro, who is giving the instructions, resumed the course on Tuesday of this week with a lesson on the two iron. Next Tuesday he will take up the use of the five iron. Geary will give instructions to the small fry later in the summer. These lessons are free.

The Small Fry and Babe Ruth leagues are using the baseball field at the park and numerous picnics are planned there. The Mokena grade and St. Mary's school have had their outings at the park and the Methodist church had its Sunday school picnic there June 3. The Girl Scout day camp is to be held June 25-29. The Ladies Aid of St. John's church is to hold its picnic at the park July 1. Large groups desirous of holding picnics at the park are advised to call Mr. Wrath at Mokena 5143 or Ray Hoolehan at 4851.

The park board is again asking the public to inspect their attics or storerooms with the idea of donating or lending such things as tennis rackets, croquet sets, checkers, scrabble, Chinese Checkers, bean bags, horseshoes, quilts, etc. They may deliver such things to Mr. Wrath or call him and he will arrange to have them picked up.

Recreation Program
At Mokena Park
To Open June 11

The summer recreation program sponsored by the Mokena Community park board is to begin June 11 under the supervision of H. J. Wrath, head of the physical education department of the Mokena grade school.

Special playdays, handicraft, dramatics, folk dancing, golf lessons for youngsters, and other events are planned for July and August. The schedule will be announced later.

The recreation program will run thru August 24 and will close then in order to give Mr. Wrath opportunity to get ready for the opening of school.

The park board is desirous that the park facilities be put to as much use as possible and has endeavored to work out a year-round program. The Mokena Lions club built an ice rink last year that provided weeks of skating and they plan to improve the set-up further next fall.

The summer program at the park calls for a flag ceremony each morning at 9 o'clock when the day's activities will begin. A nature hike is set for the first hour to be followed by random play between 10 and 10:30. Story telling and quiet games will mark the period between 10:30 and 11 and new games will be taught between 11 and 12.

David Kropp, son of Mr. and Mrs. Roy Kropp will be graduated from the Illinois Institute of Technology Friday evening. Exercises will be held in Orchestra hall in Chicago. David will receive a degree of bachelor of science in architectural designing. He expects to enter the service sometime this summer.

Donald Bergman will be graduated Sunday, June 10, from the Lewis college of Science and Technology at Lockport. He will receive his license for a pilot.

Mr. and Mrs. Lyman Teague Jr. attended the wedding of a fellow employee in Chicago, Sunday.

The Evening Circle of the Methodist church will meet Friday evening in the home of Miss Elmira McGovney.

Mr. and Mrs. Berle Needham spent last week in California on a combined business and pleasure trip.

Sp-3 and Mrs. Irvin Holm and son, arriving a 21 day furlough with his parents, Mr. and Mrs. Louis Holm.

The Rev. and Mrs. William Riemann returned last Friday from Wisconsin Rapids, Wis., where they spent several days with their daughter and family. Their granddaughter, Miss Joan Laurian returned with them for an extended visit.

Mr. and Mrs. A. J. Schulz of Wells, Minn., were guests of the Rev. and Mrs. William Riemann over the weekend. Mr. Schulz occupied the pulpit in St. John's church last Sunday speaking eloquently on national missions. He and his wife left Chicago Wednesday on a tour of missions in the Indian reservations.

Beginning Monday, June 11 Daily Vacation Bible school will be held in Mokena, sponsored jointly by the Methodist and St. John's churches.

On the first day registration will start at 8:30 a.m. After that the school will open at 9 and close at 11 a.m. for two weeks.

Bible study, music, projects and practical hand work will be on the program.

Classes are open to all children from 4 years thru last year's freshmen. The school will be divided into four major departments.

The departmental leaders are Mrs. Arthur Omland and Mrs. William Muehler, kindergarten; Mrs. LeRoy Harling and Mrs. Charles Swanberg, primary; Mrs. Joe Alexander and Mrs. T. A. Shoop, junior and junior high.

Miss Christina Schmidt, who has been ill with a severe attack of asthma, is improving slowly.

Fred Keisler, son of Mr. and Mrs. Oliver Keisler, left today for a visit with his uncle and aunt, Mr. and Mrs. Fred Baird at Elmhurst. His sister Lois at the same time is visiting with her cousins, Mr. and Mrs. Robert Keller at Carpentersville.

Mr. and Mrs. Thomas Maitland

and family of Stonelake, Ia. who recently moved into the Peter Schmidt house on Wolf road, are enjoying Mokena very much. They have three sons, Roger, 20 John 11, and Thomas Jr. 4.

Mr. and Mrs. Willard Munch entertained in their home Sunday in honor of their son Robert who was graduated from 8th grade of St. Mary's school. There were 25 guests for dinner.

Mr. and Mrs. Charles Hostert and Mr. and Mrs. Hans Mueller attended the races at Indianapolis Memorial day.

Mrs. Will Barenz and Mrs. Don Reiter entertained in the latter's home in Joliet at a party last Saturday evening in honor of Miss Jean Bettenhausen and William Bradley and their approaching marriage. Guests were the members of the former youth choir of the Mokena Methodist church. Games were enjoyed followed by dainty refreshments. A sterling silver pitcher was presented to the couple by the group which numbered 18.

Mrs. Will Tuttle and her mother Mrs. Albert Lorenz of Frankfort entertained in the former's home at 134 Mokena st. Mokena at a surprise miscellaneous shower in honor of Miss Inez Reiter. The home was prettily decorated in white and blue with a decorated sprinkling can above the gift table. There were 25 guests who enjoyed playing games. Prizes and duplicate prizes were awarded. The honored guest who will become the bride of Albert Lorenz June 23, received many lovely gifts. Dainty refreshments were served.

The traditional farewell party as given by the 7th graders of the Mokena public school for the 8th grade graduating class members was held in the school gym a week ago Thursday night. The gym was transformed into a beautiful garden with a false ceiling of white and yellow streamers. A large rainbow covered the entire south wall with a large pot of gold at one end. The colors of the rainbow were effected by colored paper napkins formed on a wire screen back. This was the hand work of Mrs. M. Bottema, Mrs. LeRoy Harling and Mrs. Joe Krueh. The tables were also lovely decorated and the nut cups were in the form of wishing wells. Following the dinner, served by the mothers of the 7th graders, a program was given. Kenneth Lorenz gave the class will, Carole Egness, the class prophecy and Jerry Haehlein, the class history. Their principal, Mrs. Elizabeth Capple, who has been in ill health most of the term, was able to attend and all welcomed her when she briefly addressed the students. Present were 28 members of the 8th grade class and 33 from the 7th grade beside the teachers. The graduating class presented their teachers gifts: Herbert Wrath, who ably substituted for Mrs. Capple during her absence, an ottoman; to Mrs. Capple, 2 lounge pillows and ear rings; to Fred Holt, a shirt and cuff links.

The Bible - Best Gift To Mankind

Highlights In Farm Life
By W. F. Whiteside
Cook County Ass't Farm Adviser

I recently received the 1954 agricultural census figures for the State of Illinois and Cook county. It was interesting to note that horticultural specialties accounted for nearly half of the value of all farm products sold, amounting to 11 million dollars. Vegetables amounted to 3 1/2 million, as did field crops. Dairy products amounted to 2 1/2 million. Milk cow numbers fell from 12,000 in 1950 to 10,000 in 1954. I was also interested to note that agriculture, including forestry, is America's largest single industry, with a total value of 160 billion dollars. On the larger farms in Illinois it takes a 50,000 dollar investment to create one farm job. In American industry it takes from 12 to 15 thousand dollars to create one job.

Just how important is the great industry of agriculture to the American economy? Lloyd E. Partain, director of agricultural relations and marketing for a national magazine offers the following information. Today's farmers need each year 7 million tons of finished steel. They buy 50 million tons of chemical materials - five times the amount of 1935. Today's farmers require in a year more than 20 million gallons of crude petroleum. This is more petroleum than is used by any other industry. The 320 million pounds of crude rubber farmers use would put tires on 6 million cars. The 19 1/2 billion kilowatt hours of electricity used by farmers each year is about equal to the combined needs of Chicago, Detroit, Los Angeles, and St. Louis for a full year.

I believe these figures illustrate the importance of agriculture in the American economy, and these are just material values. Of equal importance is the high quality of citizenship of farm men and women, the excellent setting for family life, and the closeness to the great outdoors.

Carl Bormet, Chairman of the County ASC Committee, tells me that 15 new steel bins will be erected to accommodate this year's crop of corn and wheat in South Cook County.

Most dairymen know that there are milk dollars in the leaves of May crops. The loss from leaving half of the leaves from a 3 ton per acre alfalfa crop in the field may be as much as the total feeding value of 25 bushels of corn. To save valuable leaves, cut legumes in early bloom, cure in the windrow, use a hay crusher to speed drying and use a barn drier. It would also help to be a weather prophet. An alternative to this would be to make silage of one or more of the crops.

Soybean planting time is here. Adapted soybean varieties for this are blackhawk, hawkeye and harosov. These varieties are selected on the basis of the resistance to lodging, shattering and disease. They also yield well and have a high oil content. Soybean seed should be inoculated with a suitable strain of nitrogen fixing bacteria. Plant

8 to 12 good germinable seeds per foot of row. This amount to a rate of 50 to 70 pounds per acre. Heavier planting increase lodging. Plant in rows and cultivate. Rapid rotary hoeing is effective in killing weeds before beans emerge or just after they are up.

Many farmers will be using spray equipment very soon and in order to apply the proper amounts of material you can determine the ground speed of your tractor by a fairly simple process: Step off 88 feet in the field where you are working, and place markers at each end. Then find out how many seconds it takes to drive between the markers. Dividing 60 by the time in seconds will give you ground speed in miles per hour. If you traveled the distance in 30 seconds, you were going 2 miles per hour; 15 seconds, 4 miles per hour, etc.

Speaking of spraying, insecticides are deadly to insects and pests. They're deadly to human beings like yourself, too, unless you handle them with care. If you use any insecticide, be sure to follow the manufacturer's instructions exactly, using it for a few seconds or for a major job. Store in a safe place out of the reach of children.

The month of June has been designated dairy month. The nutritive value of dairy products in the diet of children was established long ago. Dairy products are valuable to adults as well. Extension personnel in Cook County have worked with schools in an effort to increase consumption of milk among school children. School administrators and cafeteria personnel have been very cooperative and the program has met with success in all schools that have initiated it.

Bloom Township high school in Chicago Heights and Carl Sandburg High school in Orland Park are but two examples of successful programs.

To enable us to view this situation in the proper perspective, I must point out that nutrition experts in our colleges tell us that a school child should consume 45 quarts of milk per year. Students in Cook county schools averaged 17 quarts per student per year.

Bloom and Carl Sandburg High schools offered their students milk in 1-3 quart containers instead of the conventional 1/2 pint container. The results of this change in container showed increases in the milk consumed of over 30 percent for Carl Sandburg and nearly 50 percent for Bloom High school. Students in these schools are drinking milk at a rate above the recommended 45 quarts per student per year. During May, Bloom High school served over 60,000 half pints of milk and Carl Sandburg High school served 19,000 half pints. Dr. Harold Metcalf, Superintendent, and Miss Edna Wolters of Bloom and Mr. William O. Fisher and Miss Anna Allison of Carl Sandburg are to be commended for their interest in encouraging students to drink adequate amounts of milk.

I might say that this milk program has been a very gratifying task and has achieved an improved diet for school children plus increased per capita consumption of dairy products.

Bill Stelter, Tinley Park, chairman of the Soil Conservation District tells me that efforts were made last week to interest teachers in local schools to include Soil Conservation in the curriculum of school children. He arranged a meeting with teachers at the Central school in Homewood. Dr. B. K. Barton from Springfield spoke to the group about Soil Conservation education. Dr. Barton pointed out that conservation of America's resources is of vital concern to everyone, not just to farmers. Charley Fletcher, District Farm Planner, hopes that farm folks will take notice of the contour planting being done on the Fred Rauch farm, south of Orland Park and on the Joe Sons and Ray Knierim farms near Mokena. This is one place where contouring around in circles pays off. Planting on the contour, where needed, will more than repay you for your efforts by controlling soil and water loss.

Fred Rauch has also done some pasture renovation. Old blue grass pastures sometimes become sod bad, leaving plants crowded and stunted. Tearing

them up with a field cultivator, applying fertilizer and sowing a good legume grass mixture will remedy this situation. This program is usually started in August. Circular 703, "Five Steps in Pasture Improvement," available free at my office, outlines a good pasture renovation program.

If you have a strawberry patch, are you getting just half the strawberries from it that you could? There are three things that cut into strawberry yields. They are rot, wide rows and careless picking, and you can control them all.

Use captan spray to control rot. Spray at the first sign of bloom, and make three applications seven to ten days apart. You can pick berries the day after spraying with captan because there is little residue build up.

Mix two tablepoons of captan in one gallon of water. Soak the plants with this mixture. Would you deliberately crush a quart of strawberries with your foot? You do exactly that by planting rows that are too wide. 18 inches makes an ideal row width. If it's wider than 18 inches,

you have to step on plants to reach the middle, and it's difficult to find all the berries in dense foliage.

When it comes time to pick, take your time and pick clean. Get every berry that's ripe. Those you leave will be rotten by the next time you pick. You can lose half your strawberries by not picking clean.

Palos Park Woman's Club to Hold Flower Show This Week-end

The 1956 flower show sponsored by the Palos Park Woman's club will be held June 9 and 10 in the village hall located on McCarthy Road and 89th ave., from 2:30 to 9 p.m. on Saturday and from 1 to 5 p.m. on Sunday. Anyone may enter the show. The schedule of complete details for entering may be had from Mrs. Walter Blewett or Mrs. Edward Hoyer, both of Palos Park. There will be a special class for beginners who have never entered a show.

The theme for this year's show is "June Is A Many Splendored Thing". Flowers and garden produce will be exhibited against a green and white background. The Palos region has flowers in abundance at this time of the year and there will be an array of beautiful and unusual exhibits. One new feature of this year's show will be sixteen triptychs inspired by the Spring Flower Show of the Garden Clubs of Illinois held in March.

Home Bureau Woman Talks on Norway

At the Will County Home Bureau annual tea held recently in the Willow Avenue Presbyterian church in Joliet, 22 new members were honored. Jackson and Troy units tied for getting the most new members.

Miss Mary Chambers, the new dairy council director and the international farm youth exchange to Norway last year, was the speaker. She told of her experiences while living in farm homes and working in the fields with family members in Norway. She showed colored slides of her trip.

Following the program punch and cookies were served. The Farm Bureau office in Joliet is accepting reservations for Homemakers' camp at Camp Shaw-wa-nas-see for sessions June 13 thru 16. This camp is not restricted to Home Bureau members all homemakers in this area are invited. There will be hikes, handicrafts, recreation and relaxation provided at the camp.

Conduct Barker-Reha Nuptials at Morgan Park Baptist Church

Beverly Barker, daughter of Mr. and Mrs. Ralph Barker of 171st St., Tinley Park, and Andrew Reha, son of Mrs. A. J. Buffington of Chicago, were united in marriage on May 26 at 3 o'clock at the Morgan Park Baptist church. The double ring ceremony was performed before an altar banked with white gladioli, lilies of the valley and larkspur.

The soloist sang "I Love You Truly" and "The Lord's Prayer." The bride who was escorted by her father, wore a beautiful floor length gown of white lace and nylon net, with full lace sleeves and panels, and a scoop neckline. The fingertip veil was held by a pearl and lace crown. She carried a cascade bouquet of white roses and orchids.

The matron of honor, Mrs. Perry McVey, sister of the bride, wore a street length Nile green crystal gown, with hoop skirt and off the shoulder stole effect. She carried a cascade bouquet of yellow tea roses.

Mrs. William Stewart and Miss Marian Johnson of Chicago were bridesmaids. They were gowned in yellow crystal styled similar to the gown worn by Mrs. McVey, and carried pink tea roses. Sheryl Haglund, niece of the groom, wore a floor length dress of yellow crystal. She carried a bouquet of pink carnations. George Tobey of Tinley Park, was best man and Everett Haglund and Richard Trichey of Chicago served as attendants. The bride's mother wore a turquoise blue nylon lace with light blue accessories and a corsage of orchids. The mother of the groom was gowned in light blue crystal with white accessories and also wore a corsage of orchids. The reception was held at the A & J hall on West 93rd st., where a buffet supper was served to approximately 250 guests. After a short honeymoon the newlyweds will make their home in Muskegon, Mich.

The bride recently graduated from Selan's beauty school. The groom is employed by the Chicago Bridge and Iron Works.

Fathers Visit Kindergarten

Fathers of pupils at Orchard Hill Farm kindergarten, Tinley Park, responded to the old school bell as they visited classes on their "Daddy's Day". They rode the train the students made, painted and assembled, and saw movies of the activities during the past year, accompanied by a tape recorded sound track of the appropriate songs and remarks of the children.

Visiting mothers interested in enrolling their children for the next term have been calling at the school. Information may be obtained by calling Mrs. Leslie Johnson, director at KE 2-4113. Chris, of the TV program, It's Chris, will visit the school as a follow-up to Mrs. Johnson's and several pupils' appearance on his program last month.

Graduation will be June 14, at the Markham Park school. Plans for the program are being made and will include all children. The graduating class will wear white caps and gowns.

Cagney in Western

James Cagney, outstanding purveyor of hard-hitting roles, has another two fisted characterization in a "Tribute To A Bad Man" in which he is seen as a horse breeder of the early West whose sense of justice is forged in a land where only the strong survived. Cagney's role in the big outdoor CinemaScope drama follows on his recent hits in "Mr. Roberts" and "Love Me or Leave Me." Film starts Friday at the Hill top Drive in theatre.

Science Church Names President

Clifford A. Woodard of Cambridge, Mass., has been named president of the Mother Church, the First Church of Christ, Scientist, in Boston, Mass.

Mr. Woodard's appointment was announced by The Christian Science board of directors at the annual meeting of the denomination attended by thousands of

CLIFFORD A. WOODARD

Christian Scientists from many parts of the world. The term of office is for one year.

An authorized teacher and practitioner of Christian Science, Mr. Woodard holds degrees from Harvard college, Harvard graduate school of arts and sciences, and Harvard law school.

A native of Warren, Pa., he became interested in Christian Science thru a healing received as a boy. He joined the Mother Church in 1908 and has been active in various capacities in the Christian Science movement for many years.

At the annual meeting of the denomination the directors declared that, "The world needs the Science of Christianity as it never needed it before. The breaking of the barriers of time and space, the mental outlook of men stands out in increasingly sharp relief, revealing an unprecedented clash of ideologies."

"Materia medica is more and more tracing physical effects to mental causes. The churches are reaching out for spiritual healing."

Theodore Wallach of Chicago, retiring First Reader of the Mother church delivered the high-light message at a session stating that progress was reported for the denomination in the branches which now are in 48 countries.

At the annual meeting, audiences filled three auditoriums in the Mother Church edifices as well as in a nearby theatre. Adherents traveled from every state in the union and from Europe, Asia, Australia and many other distant points to attend.

Nearly 200 television stations have carried the filmed Christian Science TV program, Will B. Davis, reported.

Lohman Urges Civil Service for County Police

If the county board, of Cook county, rejects Sheriff Joseph Lohman's proposal to place the 160 members of his highway police force under civil service on the grounds that it lacks authority for such a move, he will go to the general assembly and seek legislation to make it possible.

Lohman says that under the present spoils system it is difficult to keep trained men. About the time they have enough training to make them useful in their jobs they either quit or join the Chicago or suburban police forces for better security, or are let out because of a change in administration.

The Cook county sheriff says that since he took office in 1954 more than a fourth of his men left to join the Chicago and suburban police departments.

He added that while acceptance of county police by other departments could be looked upon as reflecting credit on the county force, he doesn't believe the "sheriff's police should serve as a training center for other police departments."

Under Illinois law a sheriff cannot succeed himself immediately after serving a full term. Some of the deputies, of course, are held over by his successor but the majority of them are changed.

Observers point out that Lohman's plan to put his police under civil service may not be acceptable to Republicans. Lohman being a Democrat, the politicians say, it is safe to assume that the majority of the members of his police force are of that party and the Republicans probably would not be too anxious to perpetuate them in their jobs.

However, it was pointed out, it really wouldn't make much difference because the Republicans seldom elect a sheriff in Cook county.

Proponents of the civil service plan say it has worked out all right for state police, although there are those who will give them an argument on this.

Opening day of the 1956 Illinois State Fair, Springfield, on Aug. 10, has been designated as Children's Day.

Toll Road Plan Is on Schedule

The first quarterly report of the Illinois toll highway commission, indicates that the project to provide 193 miles of modern toll highways by December, 1958, is generally on schedule.

Charles L. Dearing, executive director, summarized the progress made since the sale of \$415,000,000 of revenue bonds on January 23, as follows:

1) An administrative organization and staff was established within a few weeks time as well as principal offices at 20 North Wacker drive, Chicago.

2) Reduction of the commission's cash balance, previously established at \$26,000,000 to \$1,000,000, permitting the reinvestment of an additional \$25,000,000. The commission's reinvestment program has reduced the net interest cost on its bonds from \$42,636.99 per day to \$14,232.38 as of March 31.

3) Decision to build a prototype bridge of prestressed concrete as a possible model for 200 such bridges. The "assembly line" bridge is expected to reduce bridge construction time by 75 per cent and save \$5,000,000 in costs.

4) Stepping up of land acquisition procedures to reduce total land acquisition time by several months and insure the availability of a full construction season to meet schedules.

5) Field engineering work is generally well along with a large percentage of the center line of the roadway established and staked out.

Policy and regulations to control relocation and realignment of the various utility facilities has been established and adopted.

7) The commission expects to award its first construction contracts during July on a package basis to include grading, paving, and structures. Contract sections will vary from three to eight miles in length and from \$2,000,000 to \$10,000,000 in amount. First construction activities will probably be in rural areas.

8) Total expenditures from January 23 to March 31, totaled \$410,707.53, divided as follows: preliminary expense, \$11,028.47; right of way, \$4,930; engineering, \$283,723.60; and legal and administrative, \$11,025.46. The commission has budgeted a total of \$112,979,700 for expenditure during the current year as follows: preliminary expense, \$1,300,000; administrative and legal, \$682,700; engineering, \$10,597,000; right of way, \$30,000,000; construction, \$50,000,000; and financial expense, \$20,400,000.

The 104th anniversary of the Illinois State Fair will be celebrated during the 1956 fair's 10 day run, Aug. 10-19.

Mr. and Mrs. John F. Fish, son John and daughter, Deborah recently flew to Washington, D. C. where Mr. Fish participated in a White House library presentation of books by the members of the Christian Bookellers association. While in Washington, they visited many famous sites and witnessed the placing of the wreath on the tomb of the Unknown Soldier in Arlington cemetery on Memorial day. Another highlight of the trip was an appointment in President Eisenhower's executive offices where official presentation of books for the chief executive's use was made.

The mothers of the seventh graders of St. Jude's entertained the graduates and the pastor and Sisters with a banquet dinner Friday. Table decorations

was the commencement theme and graduation caps were used as favors. A beautifully decorated five layer cake was the centerpiece. After the dinner the program consisted of a speech to the graduates by the Rev. Father Denis; a farewell by Howard Mann, class president; reading of the last will and testament of the class by Joan Zusag; the class prophecy by David Griffin, seventh grade representative; and Who's Who by Carol Spector. A copy of the last issue of the school paper, dedicated to the pastor, teachers, and graduates, was presented to the 7th graders. Square dancing and singing concluded the pleasant evening's entertainment.

Miss Kathleen Battle, daughter of Mr. and Mrs. James Battle, 120 E. Second ave., New Lenox, who has been a registered nurse for the past three years, was graduated from Barat College in Lake Forest June 5. Miss Battle will work at instructing student nurses in surgical technique at St. Francis hospital in Evanston.

Mr. and Mrs. Battle spent Monday and Tuesday at the college with their daughter, attending the graduation exercise and other functions.

The New Lenox Toastmasters Club will meet in the Methodist church Monday evening, June 11 at 7 o'clock. It promises to be an interesting meeting with William Wilson of Mokena as toastmaster. Les Brown of New Lenox will be in charge of the topic. This is the opportunity when everyone not on the program can express an opinion on some subject selected by the topicmaster. Sponsors for the evening will be Lloyd Berlin, William Clark, Ernest Hoefler of New Lenox, Elias Brown and Elmer Lawlor of Joliet. Anyone interested in attending a toastmasters meeting can contact any member of the club for arrangements.

Woman's League

The Woman's League of Trinity Lutheran church met in the church Tuesday, May 29. The Rev. Leonard Reinke opened the meeting with a prayer, after which he introduced the Rev. Arthur Yoss of Riverside, who talked on missions of the Missouri Synod, English district. Mrs. Chester Bowman conducted the business meeting, and Mrs. Alfred Mitchell asked for donation for the Sunday school picnic to be held Sunday, June 10, at the Geuther Grove in Frankfort. Mrs. Walter Rutenbeck asked everyone to save articles for a rummage sale to be held by the Chancel guild in the fall. Four new members joined the league, Mrs. Albert Berlinger, Mrs. Anthony Dina, Mrs. Albin Londahl, and Mrs. Victoria Gibson. Mrs. Jerome Dusek was a guest and hostesses were Mr. LaVerne Braun, Mrs. George Klausung, and Mrs. Florence Schoop.

Girl Scout Troop 97

Girl Scout troop 97 met with their leaders, Mrs. John Olson, Mrs. Harry Huss and Mrs. Batkin, in the Methodist church basement Wednesday. Doral Engstrom conducted the business meeting, and also led in the pledge to the flag and Girl Scout promise. Donna Hussey and Doral Engstrom gave talks on the Do's and Don'ts of swimming, as part of the swimmer badge work. The girls were each given a part of the Girl Scout laws to talk on for later meetings. The troop was divided into three groups in preparation for troop camp, and plans for the camp were made during the remainder of the meeting. Donna Hussey will be hostess at the next meeting.

The Bluebird 4-H club met May 31 in the home of their leader, Mrs. Clarence Wise. Plans were made for a skating party for Friday night June 8, at the Lockport skating rink. Rules for sewing were reviewed. Project books must be turned in by July 30 and 31. Plans for day camp on Tuesday, June 26 at Nowell Park, were made. The next meeting of the club will be tonight, June 7 at 7:30 in the Lions den. A recreation hour will follow the meeting.

Harry E. Anderson Post 9545 VFW, started holding their game nights this past Saturday night, on the Burns parking lot. The game nights are being held every Saturday night this summer, instead of Friday, as held last year. Carl Meitner is in charge of the games, and members of the Auxiliary to the post will have charge of the games on the last Saturday night of each month. Games start at 8 o'clock, and continue until 10:30.

Miss Ardis Batson left by plane Sunday for Phoenix, Ariz., for a two week's vacation with Mr. and Mrs. Thomas McGinn and family, former New Lenox residents. While visiting there she will visit the Grand Canyon.

Mr. and Mrs. A. W. Walsh returned to their home on Goshorn Lake at Saugatuck, Mich., Saturday, after spending a few days here with relatives. They came to attend funeral services of Mrs. Walsh's brother, Arthur Weber, who passed away at Silver Cross hospital May 29.

The Homemakers Unit of the PTA will not meet during the month of June, but will meet again Thursday, July 19 at 7:30 p.m. in the home of Mr. and Mrs. Phillip Koeller on Cooper st. for a pot luck supper. All

CAN YOU TOP THIS? . . . Cash prizes totaling \$500 plus numerous other awards await winners of Governor William G. Stronath's 1956 Illinois State Parks Photo Contest. Competition is limited to amateur camera enthusiasts and the deadline for entries is August 1. Complete information and official entry blanks may be obtained at any of 72 state parks and memorials. The Woman's Guild of Grace Episcopal church will meet at 8 p.m. Thursday, June 14, in the home of Mrs. Irma Larsen, with Mrs. Karl Johnson as co-hostess.

A son was born Friday, June 1 in the Swedish Covenant hospital, Chicago to Mr. and Mrs. Leonard John Donzalski of 607 W. Belmont Ave., Chicago. The baby weighed three pounds 8 ounces and will remain in an incubator until sufficient weight has been made. He has been named Leonard John, Jr. His mother is the former Miss Gloria McCoy of New Lenox.

Miss Dotte Jean Anderson, and Miss Margaret Campbell are enjoying a week's vacation on Goshorn Lake, Mich. with their grandparents, Mr. and Mrs. A. W. Walsh. Mr. and Mrs. Norton Deal are also spending a few days this week with the Walshs.

Mrs. Chris Kruspe is vacationing for several weeks in Orlando, Fla., with her mother, Mrs. Norman Roth and other relatives.

The Altar committee of the Trinity Evangelical Lutheran Chancel guild for the month of June consists of Mrs. Donald Dunn and Mrs. Joseph Cvelbar. If members have flowers in their gardens the committee would be happy to have them.

The Friendly Neighbors club will meet Thursday, June 14 at the home of Mrs. Wilma Baldwin for a picnic dinner. Members recently made a trip to Hager Pottery in Dundee, and had dinner at the Evergreens there. Mrs. Charlotte Getts was a guest.

Thirteen members of the New Lenox riding club took part in the over-night trail ride Saturday and Sunday, June 2 and 3, starting at Palos Park. The group rode all Saturday afternoon, and camped out Saturday night at the Double T Riders Ranch at Palos, and rode all day Sunday thru the Forest preserves. Over 100 riders from various parts of this area took part in the ride. Those from the New Lenox club were, Audrey Newton, Sandy Eden, Don Warning, Daun Weber, Bob Sproat, Mr. and Mrs. Emil Groth, Mr. and Mrs. Bob French, Bob Benson, and Tom Treadway. Arrest 4 Youths In Stolen Car

Four 17-year-old boys, charged with escaping from a youth camp at Metropolis, Ill. and having a stolen car in their possession, are being held in the Will county jail. They were seized Monday morning by State Police Officer Alvin E. Martin of Frankfort, singlehanded. Martin was parked near the intersection of Route 30 and 45 about 8 o'clock Monday morning when he saw a car that answered the description of one stolen at Metropolis. State police also had a message to be on the alert for the four youths. There were six occupants in the car when Martin sighted it going north on Rt. 45.

He followed and forced the car off the road near the ABC broadcasting tower and at pistol point ordered the youths to alight. He lined them up with legs straddled and their hands spread out against the car and kept them in that position until help arrived and the youths were searched. None were armed. Two of the occupants of the car were sailors hitchhiking back to Great Lakes. They were released. The four held gave their names as Paul Butcher, Chicago, David Nicholas and Paul Gaines, Springfield and John Placher of 1902 S. Chicago St., Joliet.

Broken Collar Bone Doesn't Faze Tony

Tinley Racer Wants to Run Tests on Tires

His left collar bone now knitting following a break suffered in the running of the 500 mile auto racing classic at Indianapolis on Memorial day, Tony Bettenhausen has shrugged that off as well as a man with a broken clavicle can shrug, and hopes to be back of a wheel again come August.

The Tinley Park Chrysler dealer who finished second in the 500 last year, was doing all right in this year's event until a tire blew and he came off a wall on a turn at around 140 miles an hour. Tony was able to walk away from it but collar bone and car were in need of major repairs so that was that. Tony had to leave the race with 93 laps yet to go.

He had experienced some car trouble previously but he was in there doing all right for himself when a tire went sailing thru the air.

"It was a good thing that I was traveling at the pace I was," Tony said after his arrival home. "If I had been doing, say 80, I probably would have hit the wall head on and that would have been that. As it was I spun and glanced off."

Tony said he had been averaging between 140 and 144 m.p.h. and that at the time he hit the wall he was doing 140. There were a lot of blowouts in this year's race and Tony explained it by saying there wasn't enough time to test out tires thoroughly before the race. They needed at least a couple more weeks, he declared.

Work on resurfacing the track had been delayed, Tony added, and that plus rain and flood the last week slowed things up.

Tony wants to do some tire testing as soon as the collar bone is healed, and has filed application with Firestone to do a job for them. Firestone expects to begin testing out shoes preparatory for next year's Memorial day race in about 60 days, and Tony wants to do the job.

Tigers Drop Tilt to Lansing 6-2; To Play Chicago Nine on Sunday

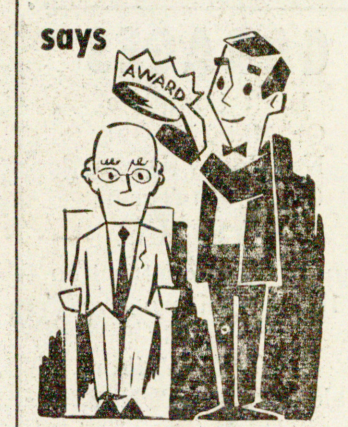

Amateur Horse Show Is Held as Part of Family Gathering

The Memorial Day picnic held on the lawns of the Harold Mohney residence, Bruce Rd. Homer township, for friends, relatives, and neighbors, was highlighted by an amateur horse show by junior members who received souvenir ribbons donated by Mr. and Mrs. Greenwalt for participation in the show.

John Cobb was winner in the Jr. Western pleasure, corn race, the clover leaf shoe race, musical chairs, and relay race. Billy Greenwalt won the trail class. George Andres was winner of the relay race and water race. The adult winner of the senior Western pleasure was Mr. Greenwalt. The judge was Owen Storm and the ringmaster Bruce Anderson.

Prizes were awarded to winners.

Stock Car Races At Mazon Brings Out New Talent

If Paul Burrow and Joe Weaver keep their fast pace, they'll give some of the old favorites more than they bargained for in the stock car racing program next Sunday at the Mazon Speed Bowl.

Burrows, of DeKalb and Weaver, of Danforth, came up out of nowhere to place one-two in the feature race last week. In the process, they beat out such veterans as Jolietans Clem Lewandowski and Bernie Wilhelm, Jack Tyne of Streator and Dan Curley of Milwaukee, who won the main event in the season opener two weeks ago.

Other well-known pilots who will be gunning for their first feature victory Sunday will be Frank Zink of Channahon, Walt Kowalczyk of Morris and Bob Scroggins, Joliet.

Among the newer drivers at the quarter-mile oval will be Stan Foreman of Sheridan, Bob Penoyer of Seneca, Rheinhart DeKing of Aurora, and Chuck Eberhard, Plainfield.

Sunday's program will start with time trials at 1:30 p.m. and the first race at 2:30 p.m. There will be four heat races, a handicapped event, 15 lap semifinals and 25 lap feature.

Reavis Downs Knights 3 to 1 In Final Game

The Knights were defeated by Reavis at Reavis by a score of 3-1 in the last game of Lincoln-Way's season.

Two of the three runs for Reavis were scored in the fourth inning when Ernie Wolfe, Reavis' center fielder, hit a single. The winning pitcher in this game was Bill Frenel, and the losing pitcher, Allan Mager.

Sportabout

by JACK MAYPOLE
Can anyone tell me exactly what makes a fish strike? I can recall a day along a trout stream when we were fly fishing between beaver dams. Came a downpour and we huddled in the brush bordering a deep pond, watched it grow muddy.

Someone dug haphazardly into the wet soil and found some worms. "Just the thing for muddy water," he cried. So we all changed hooks and leaders and fished around with bait fishing. Nothing happened. Then one of the men tried an idea of his own. He tied on a royal coachman and added weight to the leader. "Bingo!" he cried out a good sized brook.

Everyone changed back to flies and added lead. Nothing happened. Excepting that it was the man with the coachman. He kept pulling them out. Turned out he had the only coachman in the outfit and the fish ignored all other flies.

Can anyone tell me why in muddy water fish decided to take a royal coachman and nothing else?

The reason I brought this up is that I've used a dozen different plugs in Illinois waters with fair success. Then I was given this new one called a Screwball. The Screwball's feature is a small propeller near the nose.

This plug doesn't look or act like a fish. It just has that propeller with triple hooks under the belly and at the tail. Now why, I ask any brother fisherman, would a fish want to bite a propeller? I don't know. All I know is the plug got excellent results. Fish of several species hit it freely and often. It is confusing. Maybe I should interview a fish.

H.A. Decatur asks—I want to pull a boat on a trailer. What do you consider the best construction for this use?

Answer—I believe you will find that aluminum, molded or sheet plywood or fiberglass to be best. In boats made lap-streak, strip or plank, the wood does not stay elastic and takes up after a few years causing the boat to leak.

(Hear Jack Maypole over WJJD M-F at 8:40 a.m.)

If you wake up some morning and find a big, pink bow tied to the prow of your salty old rowboat and taffeta cushions on the thwart, don't be surprised. Your lady and my lady have really moved in on the boating business, some four million of 'em. And when the ladies move in mister you know what happens. Something gets powder on its nose, a touch of makeup and a bit of lace. And we don't mean the gals.

Manufacturers have become acutely aware of this. Now they are stressing the feminine appeal as much as do car makers. Two-tone boats are the newest development. We like to take a little credit for this as we used the idea first in the Midwest some time ago.

Johnson Motors held out for years and stuck to making the best outboards possible, concentrating the company bowed to the ladies and came out with its new finished models. It now has added another offering, a booklet titled "Ladies Aboard."

This booklet not only acquaints the gals with the nautical terms and simple procedures but adds the latest on lotions to use, how to pack for a trip, how to avoid the peeled nose, how to cook gives the newest nautical attire and tells how to control the kids. Of course the women brought the kids when they came aboard. This has resulted in another set of demands. Whereas Pop tossed a bailing bucket in the old scow and took off mom wants to make sure there are enough life preservers, floating cushions, and lengths of line handy for safety's sake.

All-in-all the ladies have given the business a big boost for 1 better. We don't mind it at all and feel we can adjust to it in much the same manner we learned to adjust our remarks while under a towel in a barber shop.

S. K., Farmer City, writes—Are aluminum boats hot in the sun. Answer—No. An aluminum boat actually is cooler in the sun than a wooden boat because aluminum is a conductor and wood is not.

(Hear Jack Maypole over WJJD M-F at 8:40 a.m.)

The American National Red Cross, currently observing the 75th anniversary of its founding by Clara Barton, has 44,200,000 members. This is equivalent to half the church members in the U.S.

Since 1900, the American Red Cross has spent more than \$2,352,000,000 for the American people in relief and other welfare services, both in this country and overseas.

Saylor Out For Two in a Row At Midget Track

Dependable Tony Saylor, off to a fast start in a bid for his first track championship, seeks to make it two feature race victories in a row in the midget auto races Saturday night at Joliet Memorial Stadium.

Saylor, of Joliet, was the main event in the season's opening program a week ago. Defending track champion Bob Tattersall of Streator is close behind Saylor in the point standings thus far by virtue of his third place finish in the feature last week. Both drivers also won preliminary heat races.

Also in the thick of things are former champions Ken Riva of Chicago; Jolietans Red Wallace and Bob Hauck; Willie Wildhaber of Lexington, Ill.; George Sellery of Chicago; Bob Tomlinson of Oak Lawn and Paul Kerber, Elgin.

Saturday's program will include four heat races, a handicapped event, 15 lap semifinals and 25 lap feature. Time trials will start at 7:30 p.m. and the first race at 8:30 p.m.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

Monday, May 28 a style show and salad luncheon was held in the Palos Park village hall to raise money for the Brownie and Girl Scout troops of Worth, Palos and Orland Park. The models were the Scouts, Brownies and their leaders. Two little boys and a 2 year old girl from Orland modeled childrens clothes.

The artistic decorations were made by Mrs. Richard Yang of Orland Park and Mrs. Jack Nelson of Laguna Woods. Each table was decorated with artificial violets which seemed to be peeping thru fallen logs. The buffet table which held a variety of beautiful salads made by the mothers of the scouts had as a centerpiece a maypole with little dolls dressed as Brownies. This also was the handy work of Mrs. Yang and Mrs. Nelson.

Skipper Niebrugge celebrated his 6th birthday Memorial Day with a family party. Mr. and Mrs. Rock of Chicago his maternal

grandparents and relatives from Hammond were there to help Skip celebrate. He received many nice gifts but his favorite was a reversible jacket from his parents.

Laguna was quiet on Memorial Day as many residents spent the day with their families away from the Woods and those who stayed home entertained their parents and friends here. A Memorial Day parade was held in Blue Island in the afternoon and Charles Harris along with several of the Cub Scouts from Palos Highlands marched with their leaders Mr. Yomans and Mr. Snyder.

The Ralph Leeland have returned from a weeks trip to the Smokeys. Mrs. Leeland's mother and sister accompanied them.

Mrs. George Carroll entertained the ladies of Laguna with a coffee at her home last Thursday.

We'll miss the Pete Niebrugge as they are planning to move to Indiana where Mr. Niebrugge is in business.

Those who attended the new bank's open house in Palos Heights were greeted by our neighbor Mrs. L. Woodbury who along with other members of the staff had been busy preparing for the open house and grand opening of the bank all week.

June was greeted with a steak fry in the Andersons yard Sunday as the Tabberts and Andersons enjoyed the lovely evening sunshine.

Hans Berman (Bullet) German Shepherd dog owned by Mr. and Mrs. Richard Pokorny earned his second "leg" toward his Companion dog degree at Stone City Kennel club dog show in Joliet, Sunday. Bullet scored 189 1/2 points out of a possible 200.

Elizabeth Madden, daughter of Mr. and Mrs. U. S. Madden has recovered from a seige of the measles, and returned Monday to her classes at Schmuhl school.

The Schmuhl school annual picnic will be held at Van Horn woods Sunday June 10, starting at 12 o'clock noon, with a pot luck dinner. Those attending are asked to bring their own table service and beverage, and a dish to pass.

It was incorrectly stated, in last week's column that the Lincolnwood Hills Civic association would meet Wednesday June 9 and at the Lincoln-Way high school. It should have read Wednesday, June 13 instead, as the meeting date. Sorry!

Mr. and Mrs. U. S. Madden and daughter Elizabeth attended the horse show at Hinsdale Sunday.

Pack Meeting

Cub Scout Pack 41 with their Cub master, Vernon Newsome, assistant Cub master, Clifford White, Den mothers, and their parents and families, enjoyed their first Pack meeting Tuesday night May 29.

The affair, planned to have been a weiner roast at Van Horn woods, was changed because of the weather and a supper meeting was held at Schmuhl school instead. Supper was served at 7 o'clock after which members from an Explorer troop of Scouts from Joliet, dressed as Indians, presented a skit in keeping with the Indian theme of Akela, around an improvised camp fire. A representative from the Rainbow council presented the local Cubs with their Bobcat pins: namely Mike Newman, Randy Konkell, Eddie Meyer, Kenneth Madsen and George Pokorny. The first Den meeting was planned for Tuesday of this week.

Meetings will be held for the Cubs at the home of their den mother, Mrs. Clare Newman, with assistant den mother, Mrs. Leonard Konkell assisting.

Those attending the first pack meeting were Mr. and Mrs. Vern Newsome, Mr. and Mrs. Leonard Konkell, Mr. and Mrs. Clare Newman, Mr. and Mrs. Richard Pokorny, Mr. and Mrs. Ed Meyers, the Cub Scouts, Cub Master Newsome and assistant, Mr. White, Harold Wollenhaupt, institutional representative from the local Lions club who sponsors the Pack; and Ralph Wright and son Stephen, who will soon be old enough to join the Cubs.

Mr. and Mrs. Leonard Konkell and children spent the weekend in Milwaukee, Wis., where they attended the funeral of Mr. Konkell's grandfather, Michael Konkell, who passed away there Tuesday. They visited with friends and relatives before returning home Sunday night.

Katherine Gersich, Sharon Cullen, Donald Miller, Daniel Owen, Edward Heitman, and Harry Kooyenga were those from Schmuhl school, who were among the eighth grade graduates who received their diplomas at the rural graduation exercises held Thursday night May 31 in Pershing school at Joliet.

Every baseball team could use a man who plays every position superbly, never strikes out and never makes an error. Actually, every team has plenty of men like that around, but there's no way to make 'em lay down those hot dogs and come out of the grandstand.—CHANGING TIME

Later Dr. Henke will arrive by plane and the family will attend the graduation of Richard Henke at Knox college and also the wedding of a niece in Wisconsin. Mrs. F. Paddock will go to Pinckneyville with Mrs. Henke on Thursday of this week.

Becky White is hospitalized in Silver Cross for observation.

Herman Konow returned Saturday from a two weeks stay at Hines hospital where he underwent treatment for rheumatism.

Mrs. Mary Danner of Tacoma, Wash. spent the weekend with her cousin, Mrs. George Milton.

A group of friends and neighbors gathered at Homer church recreation rooms Saturday evening to honor Miss Rita Rodgers with a miscellaneous shower. The hostesses were Mrs. John Hollister, Mrs. Reed Burch, Mrs. John Garabrand and Miss Cissy Whalen of Lockport. The tables were prettily decorated with pink crepe paper and blue African violets. The bride to be received many lovely gifts.

On Thurs. evening, May 31, Mrs. George Milton Jr. entertained at 6 o'clock dinner in honor of the fourth birthday of her son George III, at the Plainfield library dining room. Guests were besides the hostess and honored guest, Mr. and Mrs. Martin Pott of Plainfield, Mrs. Mary Paddock the Jerome Paddocks and Willard Rowleys Jr. and Mr. and Mrs. George Milton Sr.

Hadley school mothers, teachers and pupils visited the Little Red school north of Palos Park for a field trip last Tuesday. The former school building is now used as a museum and the trip included a two mile hike through the Palos forest preserve. Children's Day will be observed at Homer church Sunday, June 10, at 10:30 am. The service will be combined with the regular worship service.

The Rev. and Mrs. David Muth spent several days last week with relatives in the St. Louis area, returning here Saturday evening.

YOUTH SPEAKS
BERT FULTON SCHOOL
Sixth Grade Picnic
By Ricky Kark
Sixth graders from the Tinley Park public school went on a picnic May 28. They planned to go to the woods but bad weather changed their minds. Instead they had their picnic in the lunch room. They had hot dogs, cookies, pop, potato chips, and marshmallows. After they ate they went back to their rooms and played games.

Class Night
By Marlice Ging
Annual class night for the graduating class of Tinley Park school was held on Tuesday June 5 at 8 p.m.
This year's class play "Tattle-tale" was presented by members of the eighth grade class. The following people took part: Sandra Wheeler as Patty; Jeanette Rizzuti as Mrs. Blaine; Ronald Elmore as Mr. Blaine; Lynn Lehmann as Ida May; Bill O'Neil as Tod; Ann Hopman as Isabel; Bill Cassell as Paul Cummings; Louis Dini as Mr. Nixon; Marlice Ging as Mrs. Nixon; Jill Hollingshead as Mrs. Wiggam; George Matula as Walt Henney; Diana Huntly as Louella; Bill Lovgren as Barney; Roberta Trump as Monica; Bob Vander Meer as Mr. Whittaker; Tom Propp as Mr. Bixley; JoAnne Buchha as Mrs. Lorimer; Susan Schilean as Hetty Heatom; and Bonnie Bettenhausen as Quiz.

The play had three acts and between acts the Class Will and prophecy will be read by the following people who also wrote them: Sharon Jacobum, Fran Swisher, Linda Hollowell, Bette Bechstein, Louise Bettenhausen, Nancy Maciukenas, Sandra Henke, Jerry Redman and Carol Townsend.

Musical Program
On May 25, a May Day program was held at Bert Fulton school. The pupils of Mrs. Phillips, Mrs. Grady's and Miss Lislik's rooms took part in it. Carol Nugent was crowned the May Queen and a drill, three dances and a clown act were performed for her. The program ended with a May Pole Dance and an assembly sing.

Field Trip
By Suzanne Watkins
Several field trips were taken in the last three weeks of school on the 31st of May and June 4th and 5th.

The two eighth grades, taught by Miss F. Thurson and Mrs. H. Sandridge went to Bachelor's grove for a morning and afternoon of picnicking and games. They left at 9:00 and returned about 2:30 on May 31st.

Mrs. Flora Rogers and her fifth grade went to Brookfield Zoo June 4. Mrs. M. Triem and Mrs. N. Zahler also went to Brookfield Zoo on June 5. The two seventh grades saw the polar bear cub and the other interesting sights of the Children's Zoo.

Corn Prices Support To Noncooperators

Corn price support to noncooperators in the commercial area will be at a national average level of \$1.25 per bushel for the 1956 crop, Smith, chairman of the county agricultural stabilization and conservation committee, reminded farmers today. All counties in Illinois are in the commercial area.

The chairman explained that there has been some confusion about the rate to noncooperators as related to the rate for cooperators—those farmers in the commercial area who comply with their corn acreage allotments.

The rate of support on corn in commercial area counties which is produced on farms in compliance with their acreage allotments will be a minimum national average of \$1.50 per bushel, but not less than 84 percent of parity at the beginning of the 1955-57 marketing year, next October 1.

The national average rate of support on corn in commercial area counties which is produced on farms not in compliance with the farm acreage allotments is \$1.25 a bushel, but not less than 79 percent of parity at the beginning of the marketing year. The rate of support to noncooperators thus will be about five-sixths, or 83.3 percent of the local rate to cooperators. This means that there will not always be the same difference in cents between the local rates for co-operators and noncooperators, since the \$1.50 and \$1.25 rates are national averages.

Mr. Smith, also pointed out that the price support program for 1956-crop corn, at in previous years, offers a rate on corn produced in noncommercial areas, based on 75 percent of the commercial area support area support rate to cooperators.

THANK YOU
Many thanks to all our friends, neighbors and relatives for the beautiful cards and gifts and all kindness shown at our wedding anniversary.
MR. and MRS. NELSON KLEIN

CARD OF THANKS
We sincerely thank all our relatives, friends for their many acts of kindness extended to us at the time of the death of our son Donald; also for the beautiful flowers, memorial gifts and to Rev. William Riemann and the singers for their comforting service.
MR. and MRS. BEN YUNKER and FAMILY

IN MEMORIAM
JUNKER, William. In loving memory of our father who passed away three years ago June 3. He did not fail to do his best. His heart was true and tender. He worked hard for those he left and ever will be remembered.
BEN YUNKER AND FAMILY

Orland Park unit 526 the American Legion Auxiliary, will meet Friday evening, June 8 at 8 pm. in the Legion hall. All members are urged to attend. Election of officers will be in order. Report on the Poppy sales will be given. Plans for the refreshment booth at the Legion picnic July 4 will also be discussed. Dorothy Thoms, Sarah Myrick, Emily Zerbs, Lillian Knox and Dagmar Myrick, nominating committee, met at the home of Dagmar, Thursday afternoon. Mrs. Myrick served coffee, cake and ice cream honoring the birth day of Sarah. This committee will give their report at the June meeting.

The Girl Scout salad luncheon and style show held in the Palos Community hall Monday, May 23 at 12:30 p.m., included troops of Palos Park, North Palos and Orland Park. Mrs. Richard Yang, co-leader. Mrs. Harry Steinfatt, of troop 180, were in charge of table decorations. Mothers of troop 296, Mrs. Franklin Loebe, leader, were

sponsible for the tasty jello molds. All the other lovely salads and relishes were donated by other troops in the Palos neighborhood. Girl Scouts, Brownies and future Brownies modeled summer clothes as well as their charming mothers. Proceeds of the luncheon go toward the Girl Scout camp at Camp Manistee.

This project was under the leadership of Mrs. E. A. Gala-peux, who is active in all community affairs of Palos Park. The Brownies of Troops 180, 296, 240 of Orland Park and Orland Hills, enjoyed a picnic May 31 in the Forest preserve on 143rd St. and Highland ave. They roasted hot dogs and marshmallows and had potato chips and pop. The meeting time was immediately after school and donated prizes. Mrs. Loebe took movie pictures of the group. For some of the Brownies, this was the first experience at a camp fire and weenie roast.

Mrs. Franklin Loebe and Mrs. William Fisher, leaders of troop 296. This was the final meeting until fall.

The regular meeting of Orland Park Methodist WSCS was held Thursday evening, in the church social room. The Rev. Robert Plastow led in prayer followed by a movie film, "The Woman at the Well." Mrs. Thomas Cooper was in charge of the devotion period and used as her topic the same as the film. The following officers were elected for the next two years: Mrs. Harry Anderson, president; Mrs. Stewart Loebe, secretary; Mrs. John Homerding, local church activities; Mrs. Robert Plastow, spiritual life; and Mrs. Roy Loebe, supply work. From now on, Mrs. Loebe will be in charge of the Goodwill service. Contact her when you have any clothing for the Goodwill. Their truck comes thru Orland the first Monday of every month. The district will hold a "Work Shop" Tuesday, June 19 in the First Methodist church in Maywood, one session at 1:30 pm. and one at 7:30 pm. All officers and secretaries are urged to attend.

Following adjournment, refreshments were served by hostess committee of the Evening circle, Mrs. Ralph Sjo and Mrs. Melvin Doogan.

The adult bible class of the Methodist church will meet in the home of Mr. and Mrs. Thomas Cooper, Wednesday evening, June 13 at 8 pm. Everyone is invited to attend.

Mrs. Karl Ekberg entertained at a dinner May 30, honoring the birthday of Ivar Benson. His brothers, Nels and family from Big Run, Carl and wife and niece Mae, and Mr. and Mrs. Pete Anderson and son of Chicago were guests.

Barbara Heath celebrated her birthday May 26 with a party for her little playmates.

Mrs. John Rauch who has been ill at home for some time, is now at the Smith Nursing home, 200 Richard st., Joliet. A card from friends will help to pass the hours, although there are several women to chat with. She is doing nicely.

Mrs. Joseph Phillips, son Joseph Jr. and daughters Gloria and Josette of Elmhurst were Sunday dinner guests of Mr. and Mrs. Harry Heiting. The family had attended St. Michael's church where two masses were said in memory of Mr. Joseph Phillips. The Phillips family were former residents of Orland Park.

Mrs. Harry Anderson entertained at open house Sunday afternoon, honoring the 75th birthday of his mother Mrs. Hilda Oberg.

Mrs. Sigmund Smith is home from the hospital and doing nicely.

Mr. and Mrs. Harry Pihl entertained at a picnic supper, May 26 as a get together with their friends.

During the last three weeks in June, the Rev. Plastow and family will be in southern California. He will attend for one week the Southern California-Arizona conference of the Methodist church of which he is a member. The other two weeks will be spent vacationing with relatives.

In the absence Sunday, June 17, Dr. Morgan Williams, executive secretary of the Methodist foundation of the Rock River conference will preside. Dr. Richard Miller, professor of church administration and a minister in the Rock River conference will be guest speaker Sunday, June 24. Stewart Loebe, church school superintendent, will conduct services Sunday, July 1.

Mr. and Mrs. Ray Myrick and daughter Dorel, Miss Clara Myrick, Mr. and Mrs. Foster Myrick and children, Mr. and Mrs. Geo. Savers and Miss Lillie Mattson were Sunday dinner guests of Mrs. Helen Sandell, in Oak Park. Mrs. Sandell is a relative of the Myrick's and a former resident of Orland Park.

On the evening of May 22, 1956, the Southwest Suburban Area council district 19 of Illinois Congress of Parent and Teachers held a school of instruction at the Bremen Community High school.

Those representing the Orland Park school were Mrs. Joseph Kaiser, president, Mrs. Clifford Horn, vice president, Mrs. George Buckley, secretary, Mrs. Hans Bader, Mrs. Harry Anderson and Mrs. K. A. Halvorson. The activities of the evening consisted of a short business meeting, round table discussions and installation of officers.

After the meeting adjourned, refreshments were served by the Bremen Unit of the Council.

Growth, this is a word that is used constantly in the investment field. It is often said that this industry is a "growth" industry or that firm's stock can be included in "growth stocks."

It is a natural propensity for investors to be impatient for the fruits of their capital. Too many investors do not seem to understand the true pattern of growth. They think of it as a straight line upward. The pattern of "growth industries" is full of jigs and jogs in its upward movement.

The chemical and electronic industries have been the most dramatic in this growth. Since the end of World War II, we have seen a clear pattern of true growth, an initial surge and then consolidation and then another surge and another levelling off again. Some investors will try to catch the dips at the right time before the surge. The surge and levelling off are not usually the same for industries and firms. It requires really close knowledge and research to keep abreast of changes within industries in this fast moving world.

Physicists, chemists and engineers have created a situation in which we are assured of a constantly changing business picture. The genius and energy of scientists and technicians at work for both consumers and investors.

We do not usually think of whooping cough as a fatal disease. However as late as the 1940's, it accounted for more children's deaths than did polio, scarlet fever, diphtheria, and meningitis combined. In the last century many a grandmother could remember an old incantation—"Spider, as you waste away whooping cough no longer stay." This incantation was repeated as a dying spider was dangled over the child.

Today, new antibiotics have been put to work against this killer. For terramycin, the treatment of whooping cough is only one of the whoping list of uses against diseases. There are many other antibiotics in use and many more in various stages of development in the laboratories.

To shift to atomic energy as a dramatic development and give only a small example of its application. The Maritime Administration considers oil tankers and ore carriers as the best examples of commercial vessels that can use atomic energy for propulsion.

A modern oil tanker has a very large payload and spends about 90 per cent of its life at sea. It is calculated that for long voyages, a tanker may use as much as 10 per cent of its own cargo for its own propulsion. The elimination of the fuel oil for itself, thru atomic propulsion could increase the annual revenue of a 20,000 ton tanker by \$1 million.

**Says New Pipeline
Plans to Grab
Prize Customers**

(CNS) Two Peoples Gas Subsidiaries charged before the Federal Power Commission today that a gas pipeline company seeks to raid customers of the Peoples Gas Light and Coke Company.

The two Peoples Gas subsidiaries (the Natural Gas Pipeline Company of America and the Texas Illinois Natural Gas Pipeline Company) asked the federal power commission to reject a pending 103-million dollar project of the Midwestern Gas Transmission Co.

Midwestern seeks to establish a 2000 mile gas pipeline system from Tennessee to Noyes, Minn.

Midwestern plans to supply gas to United States Steel and Inland Steel plants in this area.

Such sales, objectors argue, would skim off the cream of local customers and force others to pay increased rates.

**Don't Make
It Too Easy
For Burglars**

Many persons leaving their homes for an evening, weekend, or several days, actually invite burglars to come in and help themselves.

That was pointed out this week by Tinley Park's Chief of Police Harold Moore.

He stated that leaving newspapers piled at the front door, a dark house or worse yet, lights burning all day and night, all are welcome invitations to the burglar.

Pull in that "welcome mat" for burglars and when leaving the home for a long length of time, Chief Moore suggests the following Do's and Don't's:

1. Do leave a lamp or two connected to an automatic timer to turn lights on and off regularly each evening. This makes the home "lived in" and is your best protective measure.
2. Do cancel all deliveries including milk, newspapers, etc. Have the post office or a neighbor hold your mail until you return.
3. Do close and lock all windows and doors, including basement, porch and garage. Remove keys from inside of doors and use double locks wherever possible.
4. Do have your lawn mowed and sidewalk swept by a neighbor at least once a week.
5. Do tell one neighbor you are leaving. Have them check your house periodically and notify the police if they see anyone prowling around.
6. Do notify your local police officials as to the date you are leaving and when you will return.
7. Don't close blinds or draw shades, leave them as you normally do when you're home.
8. Don't leave valuables lying around the house. Place them in a safety deposit box.
9. Don't tell friends, neighbors or work associates of the valuable possessions you have around the house.
10. Don't advertise your departure with an item in the paper and don't broadcast the news to your whole neighborhood.

Chief Moore emphasized that light is the best protection against prowlers. However, a light should never be left burning all day, that's a dead give away that no one is home. A light turned on and off at normal times will discourage burglars by giving the home that "lived in" look.

This can be arranged by a neighbor or by using an automatic timer. One automatic timer can be attached to lamps and will turn them on and off each night for as long as the family is away. You simply set the timer to turn the lamp on at dusk and off later in the evening when you would normally go to bed.

Some people use two timers, one to turn on a lamp in the living room early in the evening, and the other to turn a bathroom or bedroom light off later. This gives a stronger impression that someone is home.

MARLEY
Mrs. Virginia Sass
New Lenox 3133

Local rural schools officially closed for the summer vacation Tuesday, June 5. The pupils of the Francis school and their teacher, Mrs. Iva Sproat held their picnic at Nowell park Tuesday. The Marley school picnic was held in Haley park Wednesday, with the students, parents and their teacher, Mrs. Marion Liberty present. The Hadley school picnic was held Saturday in Messengers woods with their teachers, Mrs. Gladys Jensen and Mrs. Ransom in charge.

Mrs. Marion Liberty, who has taught at the Marley school during the past 13 years, was feted at a farewell gathering Friday evening May 25 in Haley park. Mrs. Liberty is leaving the Marley school to teach in the Green Garden consolidated school. Present at this affair were her pupils and their parents. Mrs. Liberty was presented with a gift from the group. A picnic supper was enjoyed.

Charles Elliott entertained his Sunday school class of the New Lenox Methodist church at an outing Sunday. Fourteen boys were present for a day of games, hike and a weiner roast.

The Freeman Fellowship met in Haley park Sunday evening for a pot luck picnic supper. After the meal the group adjourned to the church for their meeting. William Brewster of Joliet spoke on the subject, "Witnessing for Christ."

Mr. and Mrs. Dale Peterson of Melrose Park and A-1c Robert Peterson of Wisconsin were Saturday visitors in the Glenn Peterson and Loren Sass homes.

Mary Lou and JoAnn Piccolo of Joliet were guests Sunday afternoon in the home of Mr. and Mrs. Daniel Sass.

Mr. and Mrs. Clarence Berg treated the graduates of the Marley school to a dinner at the Barn in Chicago Friday evening. The grads are Bonnie Sproat, Louise Berg, Mike Guthrie and James Haeslett.

Mrs. Robert Sproat and Mrs. Adella Sproat were guests in the Leonard Huisman home in Lockport Sunday afternoon.

Mr. and Mrs. Wayne Peterson

**Explains Change
in Corn Program**

The 1956 corn program will have two important changes affecting eligibility for price support, according to Roy M. Smith, chairman of the agricultural stabilization and conservation committee of Will county.

"In the first place," the chairman said, "there will be no aggregate compliance — the corn acreage on each farm will be considered separately in determining compliance with the corn acreage allotment as a condition of price-support eligibility. (Under former programs, a producer could qualify for price support under certain conditions where the underplanted acreage on farms in the county in which he had an interest in the corn crop equaled or exceeded his share in the overplanted acreage on all such farms.)"

"And, in the second place," Mr. Smith added, "price supports will be available to producers in commercial area counties who are determined to have exceeded their corn acreage allotments, but the rate will be five-sixths of the county rate to producers who comply with their corn allotments. All Illinois counties are in the commercial corn area."

Mr. Smith explained that this latter provision applies also to producers who grow corn on farms inside the commercial corn area which have no corn allotments. In such an instance, the farm is therefore in excess of the farm allotment.

Provisions of the 1956 corn program which are similar to those under the 1955 program include: The opportunity for producers with excess corn acreage to adjust their acreage to the farm, loans to producers who uncorn allotment for the farm within a specified time limit, the allotment, and the right of price-support loans at a relative-

and children Laura Sue and Tommy of Melrose Park were guests Sunday of Mr. and Mrs. Loren Sass and family.

The graduates of the community were recognized during morning worship Sunday in the Marley church at a special service. Placques of Christ were presented to the eighth grade graduates: Carla Mrosek, Betty Stellwagen, Louise Berg, Bonnie Sproat, Alma Laufer, James Haeslett, and Mike Guthrie; and the graduates from high school, Lawrence Troutman and Ed Mrosek.

The annual Children's Day program will be presented this Sunday, June 10 in the Marley church, under the direction of the superintendent, Mrs. Francis Nelson. The program will begin at 10 a.m.

The Marley Woman's club will be guests of the Homer Woman's club at a picnic Wednesday June 13 at Dellwood park. Dinner will be served at 12 o'clock noon at the shelter. Members are to bring their own table service. Children are welcome to come.

The Marley Woman's club will meet Thursday afternoon, June 21 at the home of Mrs. Don Reid. Mrs. Victor Zaloudek will be co-hostess. The program will be presented by Mrs. Charles Elliott and Mrs. Glen Smith.

Mr. and Mrs. Clarence Berg entertained at a party in their home Wednesday night, following the commencement at Pershing school in Joliet, in honor of their daughter Louise, who was among the graduates. A buffet supper was served from a pretty table centered with a bouquet of peonies and iris. Guests were Mr. and Mrs. Henry Henke and daughters Donna and Diane, Mr. and Mrs. Arthur Hornung and daughter Carolyn, Dr. and Mrs. Robert Straub and children, Kent, Roger and Bobby, Mr. and Mrs. John Duran and children Sharon and Phil and Miss Kay Lindahl, all of Chicago; Mr. and Mrs. Fletcher Binion, Jr. and Miss Cheryl Sass.

The new Bel Air Convertible—one of 20 sassy-styled new Chevrolets.

Want to take the wheel of one of America's few great road cars? Want to send pleasant little tingles up and down your spine? Then hustle on in and try out a new Chevrolet V8!

Now showing—the happiest "double feature" of the year! One part is bold, new Motorama styling. The other is record-breaking V8 action. Hollywood has a heap of words that describe it: colossal, stupendous, magnificent. We'll settle for just the name—Chevrolet.

Because once you've driven this sweet-handling showboat, the adjectives will take care of themselves. Horsepower that ranges up to 225 makes hills flatter and saves precious seconds for safer passing. And the way this Chevrolet wheels around tight turns would gladden the heart of a dyed-in-the-wool sports car fan.

Stop in sometime soon and highway-test this new Chevrolet.
